08 – JUNE– 2022

PR 2206- 0019

PRESS RELEASE

Starting off the 2022 Philippine Environment Month celebration through bringing our services closer to the public, the Environmental Management Bureau IX conducted a Regionwide IEC Stall and Permit Assistance Caravan on June 6-10, 2022.

The Team kicked off the activity at Lee Plaza Mall, Dipolog City on June 07, 2022, where four (4) establishments were assisted on their permit applications on Permit to Operate Air Pollution (PTO), Wastewater Discharge Permit (WDP), Hazardous Waste Generators ID Registration, and eighty-seven (87) IEC Reading Materials.

The activity aims to strengthen Republic Act 9512 or the Environmental Education Awareness Act of 2008 by displaying a booth at the different shopping malls in the region where we can assist the clients with accessibility and quality service.
